#### Covenants – FAQ

- When you closed on your house you agreed to the covenants as currently written

- A change to the covenants requires a recognized signature by 60% of the Lot owners
- Typical issues trash cans out front of the house, broken down vehicles in driveways, campers and boats in driveways too long

## **Covenants and Enforcement**

- Have you talked to the violator politely yourself?
- In most cases PCHOA is not aware of specific violations until a neighbor brings them to light. Please continue to bring them to our attention and document the violation with dated photos
- What happens after a violation is received by HOA?
  - Confirm violation
  - Send letter to neighbor outlining the violation and request it be fixed
